Prof. M.S. Prasada Rao
Vice-Chancellor

It's my pleasant duty to present the 11th Annual Report of GITAM (Deemed to be University) for the year 2017-18 which reflects the academic, co curricular and other related activities and achievements of GITAM in a concise manner.

Significant among GITAM's recognitions during the year include securing "Category-I University" status with "graded autonomy"; figuring in the top 100 ranks in NIRF in 2018; securing 301+ Asia ranking and 1001+ rank in Times Higher Education World University Rankings-2018 and bagging a rank amongst the top 415 universities across the world in UI Green Metric World University Rankings, 2017.

Noteworthy among GITAM's developmental initiatives are: Starting School of Sciences, School of Pharmacy, School of Architecture and School of Social Sciences and Humanities at Hyderabad campus; starting i-focus mission, Unnat Bharat Abhiyan Project, CM's Skill Excellence Center in collaboration with APSSDC, Business Incubation Centre etc.

During the year, GITAM entered into MoUs with many reputed organizations and universities in India and beyond. Some of the important ones include: Exaintelligence Inc Tokyo, Japan; Central Michigan University (CMU), USA; Cardinal Stritch University, USA; Nipissing University; The Regents of the University of Colorado Denver; Department of Radiation Oncology, Stanford University School of Medicine Palo Alto, USA; Wachemo University; IQS School of Management (IQS), Universitat Ramon Llull, Spain.

GITAM conducted sizeable number of international and national conferences on all the three campuses, in addition to a good number of one-day seminars, symposiums, workshops and guest/expert lectures on several specialized topics. There has been steady increase in terms of the number of patents registered and research papers published by the faculty.

GITAM celebrated its 37th Foundation Day and honored Takaaki Kajita, Director of the Institute for Cosmic Ray Research, University of Tokyo and Nobel Laureate in Physics for the year 2015.

GITAM students have conducted quite a number of programmes, important among them being World Green Building Week 2017, TACO 2017, GSIB Fest 2018, GITAM Excellence Meet, Engineer's Premier League, International Yoga Day, Street Cause, Pramana 2018, Trident, National Science Day, Prerana 2k18.

More than 2200 of GITAM's graduates have been lucratively placed while a good number of our students have opted to pursue higher studies in India and abroad. Some chose to prove themselves as entrepreneurs.

I am indebted to Dr MVVS Murthi, President, GITAM; Prof K Ramakrishna Rao, Chancellor, GITAM and Board of Management for their support.

(M.S. Prasada Rao)

1. Introduction

Eleventh Annual Report (2017 – 2018)

The Eleventh Annual Report of GITAM (Deemed to be University) is presented herewith. The Government of India, on the advice of the University Grants Commission, declared GITAM as a Deemed to be University under Section 3 of UGC Act, 1956 vide Notification No. F.9-37/2006-U.3, dated 13 August 2007.

This report relates to the period 01 April 2017 to 31 March 2018.

2. The Emblem

- The emblem underlines the basic philosophy reflecting the vision and mission of GITAM.

- The three cardinal principles of GITAM - Strive, Serve, Thrive - encapsulate the quintessence of human life, that is, it is only through striving for the purpose of serving that one can thrive well in life.

- The kindling light with its bright rays represents GITAM and its many faculties of study spreading the entire universe. The light of knowledge is pure and can kindle million more lights, thus spreading the effulgence beyond horizons, dispelling the darkness of ignorance in the entire globe.

- The unfathomable sea stands for the ocean of knowledge. The ocean represents the vast region of knowledge which GITAM strives to help all those who wish to master it.

- The dolphins reflect friendliness, intelligence and unity.   We are marching forward with the firm determination to remain at the forefront among top centers of learning, teaching and research.

4. GITAM

Gandhi Institute of Technology and Management (known as GITAM) was established in 1980 by a group of eminent industrialists, social activists and reputed professionals under the leadership of Dr. M.V.V.S. Murthi, with the objective of promoting quality higher education in various disciplines. The Sponsoring Society is a charitable institution committed to Gandhian values.

An Engineering College was established in 1980 at Visakhapatnam - "the City of Destiny". Responding to the expanding needs in diverse fields of knowledge, a College of Management Studies was established in 1988, School of International Business in 1997 and College of Science and College of Pharmacy in 2006. Over the years, these institutes have established excellent standards of teaching and research and earned good academic reputation for GITAM.

A real breakthrough came in the eventful journey of GITAM when it was declared as a Deemed to be University in August, 2007. Spectacular progress was made in establishing world-class standards of teaching and research. Curriculum of all programs was thoroughly revised, innovative programs introduced, new research laboratories set up, skill development and incubation centres were established by adopting globally recognized best practices.

To reach the unreached, a Centre for Distance Learning was established in 2009. GITAM Centre for Distance Learning has been ranked with a 5-star rating among the top distance education institutions of India as per the analysis done by CAREER CONNECT-July, 2017 based on various parameters. To increase the geographic spread, two off-campuses –- one at Hyderabad in 2009 and the other at Bengaluru in 2012 were established. A School of Law was established in 2012 followed by the Institute of Medical Sciences and Research in 2015, Institute of Nursing and School of Gandhian Studies in 2016.

During a short span of time, GITAM has grown into a multi-campus, multi-faculty institution spread over three campuses with 17 institutes, 12 disciplines, 52 departments and 10 research centres. It offers 190 UG, PG, Doctoral and other programs in diverse disciplines such as Engineering & Technology, Management, International Business, Life Sciences, Pharmacy, Social Sciences, Physical Sciences, Arts & Humanities, Languages, Law and Medicine.

With nearly 22,000 regular students, 1200 Ph.D. scholars and over 84,000 students in distance mode hailing from different parts of the country, GITAM has grown into a premier deemed to be university in Andhra Pradesh, Telangana and Karnataka States where its campuses are located. The Institution has well qualified and committed faculty of over 1250 with rich industrial and research background. Over 42 % of the faculty are Ph.D.s.

Being a multi-faculty institution, GITAM has been able to contribute to the holistic development of students and foster core values based on Gandhian Ideals in order to mold students into competent professionals and responsible citizens. The presence of several disciplines on the campus provide on-campus expertise that gives an edge to undertake high-end multi-disciplinary research.

The faculty members have undertaken major research projects with financial assistance from funding agencies such as UGC, DST, DBT, DAE, DRDO, CSIR, MoES, BARC and other funding agencies. In addition, several research projects sponsored by industrial organizations/corporate houses like HPCL, NTPC, VSP, VPT, Dr. Reddy's Labs and other organizations are being implemented. A Central Research Laboratory and advanced laboratories for cancer research and other areas have been established. Further,

in order to facilitate advanced research in focused areas, 10 research centers have been established. The University publishes several in-house research journals. Further, the University developed a bio-pesticide, GITAM Trishul, with financial assistance from NABARD which has resulted in better yields in about 2000 acres. Students are encouraged to take up independent research to bring out their latent talents. So far, 16 patents have been awarded and another 52 patents are under different stages of processing. The faculty members have also undertaken several consultancy assignments in government and non-governmental organizations.

GITAM has established state-of-the-art infrastructure comprising well laid-out buildings for administration, academic departments and central facilities at the three campuses. A Centre for Advanced Technology Solutions (CATS) is established to cater to the software needs of the University which enables integrated real-time governance. Latest IT infrastructure with advanced facilities are provided in all the campuses. A world-class central library known as Knowledge Resource Centre (KRC) is established in the main campus. With more than 100 collaborations with global universities, premier research organizations and industry, GITAM has been able to promote collaborative research and exchange of faculty and students. GITAM's students are preferred by multinational corporations in IT, banking and other sectors resulting in appreciable placement record in several programmes.

Digital learning atmosphere and productive work culture in our campuses attract meritorious students and faculty. GITAM's efforts in steadily expanding the academic and research activities are helping the university achieve international recognition.

GITAM instituted scholarships and fellowships for meritorious UG & PG students. GITAM Science Activity Centre GUSAC provides an exclusive platform to nurture creativity and inculcate scientific temperament among students. Kalakrithi, a cultural forum, provides a platform for the students to exhibit their literary, artistic and cultural talents.

As a part of its initiative to upgrade the skills of both teaching and supporting staff, the University established a Centre for Learning and Sustainability, which organizes several faculty and skill development programmes. A "Teacher Skill Development Fund" is created allocating one per cent of its annual budget to meet travel and living expenses of teaching faculty deputed for visits abroad to update their knowledge and skills. An exclusive Industry Institute Interaction Cell has been established to identify the needs of the industry and offer solutions with the help of expertise available in the University. Several collaborative academic programmes have been introduced in association with industry. Industries such as IBM, Ericson, Dr. Reddy's Labs, etc., have sponsored laboratories useful for research in different fields.

GITAM introduced Best Teacher, Best Researcher and Best Supporting Staff Awards which are presented to teachers, researchers and staff respectively to recognize and encourage their outstanding contributions.

GITAM provides first-class facilities for co-curricular and extra-curricular activities including sports and games and cultural activities. A range of clubs/ forums/chapters of professional bodies enable students to enjoy their time in the campus and undertake professional activities. The ultimate goal is to shape the students into highly competent professionals, capable technocrats and prudent business managers and, at the same time, mould them into responsible citizens.

GITAM has over the years achieved excellence in governance and management through professional approach. GITAM strictly complies with the regulations, directives and guidelines of all statutory authorities.

GITAM (DEEMED TO BE UNIVERSITY)

11th Annual Report 2017-18

The Institution takes its social responsibility with commitment and ensures that its academic programmes are of social relevance and the extension activities benefit the community. The faculty and students undertake several extension activities through NSS, NCC, Rotaract Club, Young Guns of India (YGoI), Red Ribbons Club and ENACTUS. The Institution has created 'GITAM Social Responsibility and Disaster Management Fund' by transferring two per cent of its gross revenues every year to organize relief measures in emergencies.

The Alumni of GITAM are occupying important positions in government, administration, industry and research organizations across the globe. Periodic alumni re-union meetings are organized by the University, both in the country and abroad.

Recognizing the holistic education that the University is imparting, the Tandon Committee appointed by the Ministry of Human Resource Development, Govt. of India, classified GITAM as Category-'I' University among deemed universities. The University Grants Commission accorded 12-B status to the University enabling teachers and researchers to receive UGC grants under various schemes. Institute of Technology, a constituent unit of the University, has been provided funds under Technical Education Quality Improvement Programme-II (TEQIP-II) for implementation of various progrmmes. Further, several engineering and science departments are sanctioned funds under FIST programme for strengthening infrastructure in laboratories. Several of the young faculty members got funding from DST under Fast Track Scheme.

5. Highlights of the Year

Some of the important events of the year 2017-18 are given hereunder.

Centre for Advanced Technology Solutions (CATS)

The Centre for Advanced Technology Solutions (CATS) manages the IT infrastructure and offers variety of IT-related services to assist members of staff and students at GITAM. CATS provides campus-wide computing, networking, storage, communications and instructional technology across all the campuses of GITAM.

During 2017-18, CATS launched more than a dozen new initiatives and service improvements in software and hardware services. The software services are used across all the three campuses while the hardware services are specific to campuses.

To highlight some of the software services, CATS launched:

1. G-Learn - A comprehensive learning management software - a joint platform for faculty and students to collaborate on course teaching, attendance, marks and everything else.

GITAM (DEEMED TO BE UNIVERSITY)

11th Annual Report 2017-18

2. G-Parent, web portal that has all the information a parent needs to know about their ward - up to date attendance, marks, fee dues, AMC reports etc.,

3. G-Staff, web portal that has all the information a staff member needs - biometry, payrolls, apply leaves online, reject / sanction leaves online etc, No more paper work or long waits for staff.

4. G-Student, web portal for all information a student needs - online course registrations, course timetables, pay fee online etc, e-journals etc.,

5. G-Training - Training centre to educate staff and faculty on how to use different portals. Training to BLR and HYD campus via video conferencing.

6. Service desk - One stop shop for all IT services. Simply put a ticket and CATS will resolve it in less than 4 days.

7. G-Hostel - The warden can know at the click of a button - who stays in which room / hostel dues / hostel room availability / hostel occupancy/ attendance etc.,

8. G-Registration - All admissions/registrations are now done online. All paper applications are fed into online database.

9. G-Counseling - All counseling and induction program software is done by CATS. It used to be outsourced.

10. G-Card - Smart student and staff identity card that also doubles up as cash carrying card - going towards cashless campus. ID cards were issued on the day of induction.

11. G-Student Information System - Simply enter student registration number, and you have all data about student in front of you - marks, fee, AMC reports, attendance etc.,

12. G-Security - Now a parent and warden know the moment a student enters or exits the campus. Online leave / permission application and online approvals / notifications.

13. G-NOC - Network Operations Centre - command and control centre that monitors all IT assets and services across all the three campuses. Proactive maintenance is made possible.

14. G-Events - A platform for every staff member and student to know and share what is happening in and around the three campuses. An event calendar is posted online and in emails.

15. G-PACS – A platform to store and retrieve all radiography images at GIMSR hospital. Students and faculty can now access three dimensional radiology images from their desks and classrooms at their convenience.

Also, this year CATS launched official you tube channel and facebook page and in less than 6 months, CATS achieved 10,000 followers for its facebook page, and live streamed more than 15 events on its official you tube channel. This year CATS introduced fee reconciliation friendly virtual account technology for fee payments using NEFT/RTGS. INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of **GITAM (Deemed to be University) the GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT (ESTABLISHED U/S 3 OF THE UGC ACT, 1956), VISAKHAPATNAM,** which comprise the Balance Sheet as at 31/03/2018, the Statement of Income and Expenditure Account and cash flow, for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the GITAM (Deemed to be University) and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the University preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the University has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the University's Members of the Board of Management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements and cash flow gives the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the GITAM (Deemed to be University) as at 31/03/2018, and its Surplus for the year ended on that date.

Report on Other Legal and Regulatory Requirements

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the University so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Income and Expenditure Account and dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid financial statements comply with the Accounting Standards issued by Institute of Chartered Accountants of India.

e) In our opinion and to the best of our information and according to the explanations given to us:

    I. The GITAM (Deemed to be University) has disclosed the impact of pending litigations on its financial position in its financial statements.

    II. The GITAM (Deemed to be University) has made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

S.No.	Name of the Faculty	Title	Funding Agency	Status
1	Dr. K Vasavi Rama	Generation of disease and insect resistant transgenic pigeon pea by over-expression of Tfgd2-RsAFP2 fusion gene	SERB, DST – FAST TRACK Young Scientist Scheme	Ongoing
2	Dr. K. Prameela	Comparative study of microbial and chemical methods for extraction, purification and characterization of nutraceuticals	SERB, DST – FAST TRACK Young Scientist Scheme	Completed
3	Dr. R Satyanarayana	Bioavailability Enhancement Studies of Vitamin A Conjugated with Piperine	University Grants Commission	Completed
4	Dr. R Satyanarayana	Role of matrix metallo proteinases and chemokines in prostate cancer stem cells mediated metastasis	SERB, DST – FAST TRACK Young Scientist Scheme	Completed
5	Dr. Sk Khasim Beebi	Mapping of demographic, environmental, behavioral, socioeconomic and genetic factors for the cancer incidences in Visakhapatnam district of Andhra Pradesh	NRDMS, DST, GOI	Completed
6	Dr. Nasim Akhtar	Callus and Cell Suspension Optimization for Anticancer Secondary Metabolite Production from Periwinkle (Catharanthus roseus L.)	University Grants Commission	Completed
7	Dr. K V Chaitanya	Supercritical Extraction and Characterization of Bioactive Compounds form Different Coleus Species Subjected to Salinity Stress	University Grants Commission	Completed

8	Dr. I Sarat Babu	Mathematical Modeling and Optimization for The Production of Poly-B-Hydroxybutyrate (PHB) using an Indigenous Microorganism Isolated from Industrial Wastes of Visakhapatnam Region	University Grants Commission	Completed
9	Dr. B Sarada	Optimization of The Process Conditions for The Purification of Ansamycins in a Fluidized bed	University Grants Commission	Completed
10	Dr. K V N Saibaba	Design and Development of Continuous Flow Packed bed Reactor for The Removal of Dyes from the Textile Industry Effluents	University Grants Commission	Completed
11	R Gopinadh	Statistical Experimental Designs for The Optimization of Medium Constituents for The Production of Citric Acid by Submerged Fermentation of Mahua Flower (Madhucaindica) using Response Surface Methodology	University Grants Commission	Ongoing
12	R Gopinadh	Statistical Experimental Design based Modelling and Optimization of Physico-Chemical, Nutritional Parameters and Bioreactor type for Production of Citric Acid and other Commercially important Metabolites from Mahuaflower (Madhuca Indica) by using Mutant Strains of Aspergillus niger.	Department of Science & Technology	Completed
13	Dr. R K Srivastava	Production of 1-butanol from lignocellulosic or sugar cane waste materials by using metabolically engineered strain of Escherichia coli	University Grants Commission	Ongoing

9. **Learner Support Services:** The courseware of all the programmes consists of printed course material, face-to-face interaction (weekend / personal contract programmes), assignments and select video lectures. The learners are given academic calendar at the time of admission which contains detailed schedule of academic / evaluation activities for the entire year and they are advised to strictly follow the schedule. The learners are also informed of all these activities through website, notifications released from time to time and advertisement through newspapers. Learners can also interact with the CDL through telephone (landline / mobile), visiting website of the CDL and directly with the staff. The Centre for Distance Learning sends SMS messages on scheduled activities at least once a fortnight so that interaction with Centre and the learner is assured. Helpline and Helpdesk provide such connectivity, information required and clarification of doubts. Thus pre-admission and post admission counseling are ensured.

10. **Online Learning**: Streaming of lectures (live and recorded), information dissemination and assignment submission are the important learning activities being offered. During 2010-11, these activities were confined to MBA programme. From the academic year 2011-12 online learning facility is extended to M.Sc Biotechnology program also.

All the activities in CDL starting from admissions to evaluation are totally computerized. Student portal is created in the CDL website for lending student support services.

Student data like fee payment details, Internal marks, External marks, etc are available in student portal. Hall tickets can also be downloaded from the website.

11. **New programmes proposed for the year 2018-19:**

It is proposed to offer the following programmes from the academic year 2018-19 after receiving the DEB approval:

a) M.A (Telugu) b) M.A (Public Administration) c) M.A (Political Science)

d) M.A (Journalism and Mass Communication) e) BBA

f). B.Com (Computers) g). B.Sc (Computers) h) B.A (Special Telugu)

The recognition process is in progress and the material preparation is nearing completion.
