Press Release:

Workshop on DFM at GITAM

Department of Mechanical Engineering, School of Technology, GITAM deemed to be University, Hyderabad is going to organize three day workshop on 'Design for Manufacturability' (DFM) at its campus from 8-10 March 2018. GITAM, Hyderabad Pro Vice-Chancellor Prof. N.Siva Prasad informed in a press release on 14th February.

The focus of this workshop is to identify the manufacturing constraints that influence the design of parts and sub systems. Participants will be introduced to the Design for Manufacturability (DFM) methodology and will be able to avoid infeasible or impractical designs. The participants will also explore specific aspects of DFM, such as Design for Assembly (DFA), Design for Maintenance, Design for Sustainability, Design for Low Cost, Design for High Quality and Design for Lean Manufacturing. Participants will also be exposed to principles based on practical examples from industry.

The workshop is recommended for anyone involved in product design, manufacturing engineering and manufacturing management.

Prof. N.Siva Prasad, Pro VC, GITAM, Prof. M.S.Shunmugam, IITM, Prof. A.S.Seshadri Sekhar, IITM and Hari Adavalli, Technical Chief & Head – Emerging Accounts Cyient Limited are the faculty for this three day workshop.

For registration and other details, please feel free to contact 08455 – 221 383 or hodmech_hydcampus@gitam.edu.
