Press Release:

GITAM students shine at Campus Placements

GITAM Deemed to be University, Hyderabad Campus has made a kick start of its Campus Placements for the academic session 2018-19. Software service providers like Virtusa (21 students) and Mu Sigma (12 students) have together issued a good number of job offers with the highest pay package of Rs.21 Lakhs per three years to the students of GITAM.

Training and Placements Cell Director Dr. Nathi Venu Kumar announced this on 3rd September 2018. Virtusa selected students for their “Front End Engineering” Technology area. Earlier GITAM has established Centre of Excellence with Virtusa in Front End Engineering Technology. TechAspect completed the placement process and the result is yet to be announced. IBM, ValueMomentum, CoreCompete, Nine Leaps, Berkadia, OpenText and NTT Data are going to conduct the campus placement drives in the month of September. GITAM has also entered a MoU with Barkadia to take up campus placements.

The companies selected the candidates on the basis of a written test followed by Group Discussion and a rigorous interview round. The first phase of the campus placement program held for the current final year students across various branches of B.Tech programs. About 33 students got the offer letters from the above two companies even in the month of August.

The selected students have expressed their excitement and said that they had worked really hard to bag offers from the renowned companies.
