

About National Science Day - 2021

National Science Day is celebrated in India on 28th February each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28th February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.

GITAM Institute of Science offers number of UG and PG programs in various disciplines of Science. GITAM Institute of Science has been celebrating National Science Day on 28th February, every year for past many years by organizing distinguished talks by experts in various fields of Science & student events and Science Exhibitions alternate years.

GITAM institute of science is observing National Science Week as a part of National Science Day celebrations wherein number of invited talks by distinguished speakers from premier institutions and student events will be organized.

Theme for the National Science Day (NSD) 2021 is **“Future of STI: Impacts on Education, Skills and Work”**.

Distinguished Speakers

Date
23.02.2021
Time
10.00 AM

Prof. Chennupati Jagadish
Distinguished Professor
Australian National University
Canberra

Date
24.02.2021
Time
10.00 AM

Dr. Malapaka Chandrasekharam
Sr. Principal Scientist
CSIR - Indian Institute of Chemical
Technology(IICT)

Date
24.02.2021
Time
07.00 PM

Prof. Sreenivasa Rao Jammalamadaka
Distinguished Professor
University of California
Santa Barbara

Date
25.02.2021
Time
10.00 AM

Prof. Desirazu Narsimha Rao
Department of Biochemistry
Indian Institute of Science
Bengaluru

Date
26.02.2021
Time
11.30 AM

Prof. Raghavarao Karumanchi
Department of Chemical Engineering
IIT
Tirupati

Important Dates

- Distinguished talks: **23.02.2021 – 26.02.2021**
- Student Events
 - ❖ Elocution - **25.02.2021**
