Prof. M.S. Prasada Rao
Vice-Chancellor

It is my pleasant duty to present the 10th Annual Report of GITAM (Deemed to be University) for the year 2016-17. The academic, co-curricular and other related developmental activities along with the achievements of GITAM have been presented in a concise manner.

While the consistent progress recorded by GITAM (Deemed to be University) during the past decade is creditable, the A+ Grade awarded by NAAC in the second cycle gives us a sense of fulfillment and also a direction to march further to become a global leader in higher education. It is a matter of great satisfaction that GITAM Centre for Distance Learning (CDL) has been ranked with 5-star rating among the top distance education institutions of India.

During the year, GITAM entered into MoUs with Lancaster University – UK, Cardinal Stritch, Central Michigan and Stanford Universities from USA, BARC, Mahatma Gandhi Cancer Hospital and Research Centre, Indian Institute of Chemical Technology, Central Institute of Plastics Engineering and Technologies and many other reputed institutions for mutual collaboration in teaching, research and training.

GITAM has introduced several new academic programmes like M.Tech. (Cyber Forensics & Information Security), MBA FinTech, M.Arch., (Sustainable Architecture) LL.M, M.Sc. (Pharma Chemistry) and M.Sc. (Nurse Practitioner in Critical Care).

GITAM organized a number of national and international seminars and conferences. Several student-centric activities such as Bioinvida, Tesla – 2K17, Techcellence 3.0, Mech Utsav, ISTE- Young Scientist Summit, Incepto-2K17, Pramana, Lakshya, etc. have been organized by GITAM Institutes.

It is heartening to note that a sizeable number of GITAM graduates have been gainfully employed during the year. Reputed organizations like TCS, Accenture, Microsoft, IBM, Amazon, Oracle, Virtusa, SBI etc., visited GITAM and recruited over 2600 graduates through campus placements.

I am beholden to Dr MVVS Murthi, President, GITAM; Prof K Ramakrishna Rao, Chancellor, GITAM and the Board of Management for all the support.

GITAM is poised to continue its unrelenting march with steadfast commitment in upholding its values and realizing its vision.

(M.S. Prasada Rao)

1. Introduction

Tenth Annual Report (2016 – 2017)

The Tenth Annual Report of GITAM (Deemed to be University) is presented herewith. The Government of India, on the advice of the University Grants Commission, declared GITAM as a Deemed to be University under Section 3 of UGC Act, 1956 vide Notification No. F.9-37/2006-U.3, dated 13 August 2007.

This report relates to the period 01 April 2016 to 31 March 2017.

This is in compliance with clause iii of Rule 20 of the Memorandum of Association of GITAM (Deemed to be University) as amended in terms of the UGC (Institutions Deemed to be Universities) Regulations, 2010.

2. The Emblem

- The emblem underlines the basic philosophy reflecting the vision and mission of GITAM.
- The three cardinal principles of GITAM - Strive, Serve, Thrive - encapsulate the quintessence of human life, that is, it is only through striving for the purpose of serving that one can thrive well in life.
- The kindling light with its bright rays represents GITAM and its many faculties of study spreading the entire universe. The light of knowledge is pure and can kindle million more lights, thus spreading the effulgence beyond horizons, dispelling the darkness of ignorance in the entire globe.
- The unfathomable sea stands for the ocean of knowledge. The ocean represents the vast region of knowledge which GITAM strives to help all those who wish to master it.
- The dolphins reflect friendliness, intelligence and unity. We are marching forward with the firm determination to remain at the forefront among top centers of learning, teaching and research.

4. GITAM

Gandhi Institute of Technology and Management, known as GITAM, was established in 1980 by a group of eminent intellectuals and industrialists under the leadership of Dr. M.V.V.S. Murthi, with the objective of promoting quality higher education in various disciplines. In 2007, it was declared as a Deemed to be University u/s 3 of the UGC Act, 1956. Over the last 37 years, GITAM has achieved many milestones and established a mark of its own in the field of higher education.

Today, GITAM has three picturesque campuses at Visakhapatnam, Hyderabad and Bengaluru with 15 Institutes, 10 Faculties, 52 Departments and 10 Research Centres. GITAM has been offering 147 UG, PG and Doctoral programmes in diverse fields such as Technology, Science, Pharmacy, Architecture, Management, International Business, Social Sciences, Languages, Law, Medicine, Nursing and Gandhian Studies.

The Centre for Distance Learning, established in 2009, has been successfully offering 13 UG, PG and Diploma programmes in Literature, Management, Science and Social Sciences. GITAM Centre for Distance Learning has been ranked with a 5-star rating among the top distance education institutions of India as per the analysis done by CAREER CONNECT-July 2017, based on various parameters.

With over 20,000 regular full-time students, 1200 research scholars and well over 60,000 students in distance mode hailing from almost all parts of the country, GITAM has emerged as one of the biggest deemed to be universities in the State of Andhra Pradesh. GITAM has well qualified and committed faculty numbering over 1250 in the three campuses put together. A sizeable number of the faculty have research and industrial background and more than 40% are Ph.Ds.

Over the years, GITAM has established state-of-the-art infrastructure comprising well laid-out buildings for administration, academic departments and central facilities at the three campuses. A fully air-conditioned Central Library, known as Knowledge Resource Centre, is equipped with digital library, e-learning centre and reprographic facilities. The libraries in the three campuses have a rich collection of over 34 lakh books including e-learning resources, periodicals, national and international journals. In order to strengthen the application of Information and Communication Technology (ICT) in academics, research and administration, GITAM established a sophisticated data centre with a super-computer with 10G backbone and high-end Wi-Fi network which covers all the three campuses.

The faculty members have undertaken major research projects with financial assistance from funding agencies such as UGC, DST, DBT, DAE, DRDO, CSIR, MoES and BARC. In addition, several research projects sponsored by industrial organizations/corporate houses like HPCL, NTPC, VSP, VPT, Dr. Reddy's Labs and other organizations are being implemented. Further, in order to facilitate advanced research in focused areas, 10 research centers have been established. GITAM publishes several in-house research journals. Further, GITAM developed a bio-pesticide, GITAM Trishul, with financial assistance from NABARD which has resulted in better yields in about 2000 acres. Students are encouraged to take up independent research to bring out their latent talents. So far, 16 patents have been awarded and another 52 patents are under different stages of processing. The faculty members have also undertaken several consultancy assignments in government and non-governmental organizations.

GITAM instituted scholarships and fellowships for meritorious UG & PG students. GITAM Science Activity Centre provides an exclusive platform to nurture creativity and inculcate scientific temperament among students. Kalakrithi, a cultural forum, provides a platform for the students to exhibit their literary, artistic and cultural talents.

GITAM started a “Teacher Skill Development Fund” allocating one per cent of its annual budget to meet travel and living expenses of teaching faculty deputed for visits abroad to update their knowledge and skills. An exclusive Industry Institute Interaction Cell has been established to identify the needs of the industry and offer solutions with the help of expertise available in GITAM. Several collaborative academic programmes have been introduced in association with industry. Industries such as IBM, Ericson, Dr. Reddy’s Labs, etc., have sponsored laboratories useful for research in different fields.

GITAM’s high standards are well recognized by multinational corporations in IT, Banking and other sectors across the country. GITAM is proud to place on record that it has achieved substantial placement of its graduates in almost all programmes through campus recruitments. The students from GITAM pursuing higher studies are preferred for admissions to reputed national and international universities.

GITAM has entered into tie-ups with leading international universities. It has also signed several collaboration agreements with renowned IT companies like IBM, TCS, Oracle, etc., to impart training in IT skills to the students. As a part of its initiative to upgrade the skills of both teaching and supporting staff, GITAM established a Centre for Learning and Sustainability, which organized several faculty and skill development programmes. GITAM introduced Best Teacher, Best Researcher and Best Supporting Staff Awards which are presented to teachers, researchers and staff respectively to recognize and encourage their outstanding performance.

The faculty and students undertook several extension activities through NSS, NCC, Rotaract Club, Young Guns of India (YGoI), Red Ribbons Club and ENACTUS. GITAM has created ‘GITAM Social Responsibility and Disaster Management Fund’ by transferring two per cent of its gross revenue every year to organize relief measures in emergencies.

It is a matter of great pride and satisfaction that the Alumni of GITAM have been occupying important positions in government, administration, industry and research organizations across the globe. Periodic alumni re-union meetings are organized by GITAM, both in the country and abroad.

The ultimate challenging task today is to take GITAM to the global league of universities in a timeframe of 10 years. This calls for a relook and focused attention on several parameters of the value matrix such as innovative curriculum and pedagogy, productive research, competent faculty, meritorious students, world-class infrastructure and reforms in governance and administration to promote efficiency, flexibility and innovation. To attain its vision, GITAM identified sixteen strategic objectives under four transformational themes in its perspective plan known as Vision 2025, which charts the growth of GITAM in the coming years.

Recognizing the holistic education that GITAM is imparting, the Ministry of Human Resource Development, Govt. of India, ranked GITAM as Category-‘1’ University among deemed universities. The University Grants Commission accorded 12-B status to GITAM enabling teachers and researchers to receive UGC grants under various schemes. The Institute of Technology, a constituent unit of GITAM, has been provided funds under Technical Education Quality Improvement Programme-II (TEQIP-II) for implementation of various programmes. Further, the departments of Mechanical Engineering, Civil Engineering and Environmental Studies are covered under FIST programme for strengthening infrastructure in laboratories. Several of the young faculty members got funding from DST under Fast Track Scheme.

GITAM (DEEMED TO BE UNIVERSITY)

10th Annual Report 2016-17

5. Highlights of the Year

The year 2016-17 has been rewarding for GITAM in terms of response to the various programmes offered by the University, rating of GITAM by various reputed agencies, MoUs with various globally known institutions and industry majors, research output by the faculty, augmenting of infrastructure, and astounding placement record. GITAM has been awarded A+ Grade by National Assessment & Accreditation Council (NAAC) in February, 2017.

Some of the important events of the year 2016-17 are given hereunder.

36th GITAM Foundation Day Celebrations

GITAM celebrated its 36th Foundation Day and honoured Prof. Chintamani Nagesa Ramachandra Rao, an awardee of Bharat Ratna, an authority on Solid State and Structural Chemistry who published over fifty books and 1630 research papers and who has been conferred honorary doctorate by about 60 universities. He guided nearly 160 Ph.D. scholars. The Foundation Day Award included a plaque and Rs. 10 lakh. He delivered an inspiring lecture on 'Place of India in the world of Science – Where does it belong'.

On the occasion, awards were presented to Best Teaching, Research and Administrative staff and Best Student Speakers who demonstrated leadership.

Seventh Convocation – GITAM Visakhapatnam

Seventh Convocation of GITAM was held on 20 August 2016. Dr. Madhavan Nair Rajeevan, Secretary of Earth Sciences, Govt. of India was the Chief Guest, who was conferred honorary Doctor of Science and he delivered the convocation address. Along with him, Former Chief Justice of Supreme Court of India S. Rajendra Babu; Dr. Nirmal Kumar Ganguly, Former Director General of Indian Council of Medical Research and Music Maestro Ilaiyaraja were conferred honorary doctorates.

During his inspiring convocation address, Dr. Madhavan Nair Rajeevan appealed to the young graduates to use their knowledge and experience to improve the quality of life of Indians and bring scientific and technological development in the country.

Convocation at GITAM Hyderabad

Dr. S. Christopher, Secretary, Department of Defence R&D and Director General, DRDO was the Chief Guest, who delivered convocation address at Hyderabad on 18 September 2016. He called upon the young graduates, doctoral students and faculty to involve themselves in nation building by generating creative knowledge that should make India a developed nation.

MoUs Entered

GITAM entered into MoU with different institutions during the year. Some of the important among them are : TCS, Mumbai; United Nations Children's Fund (UNICEF); Dr. Reddy's Laboratories Limited, Hyderabad; Salim Ali Centre for Ornithology and Natural History(SACON), Coimbatore; Central Institute of Tool Design, Hyderabad; IBM India Pvt. Ltd.; National Institute of Technology, Kisarazu College, Japan; Bhabha Atomic Research Centre (BARC), Mumbai; Mahatma Gandhi Cancer Hospital & Research Institute , Visakhapatnam; Indian Institute of Chemical Technology, Hyderabad; Central Institute of Plastics Engineering & Technology

(CIPET), Vijayawada; Department of Radiation Oncology, Stanford University School of Medicine Palo Alto, CA, USA; University Hospital Basel, Switzerland; Andhra Pradesh Capital Region Development Authority (APCRDA), GoAP, India; Lancaster University, UK; M/s Clavita Pharma Private Limited; Exaintelligence inc Tokyo, Japan; and Central Michigan University, USA.

- **NAAC Accreditation (Cycle-2):** The NAAC peer team evaluated the functioning of GITAM from 20th to 22nd February, 2017 and accredited it with "A+" grade. GITAM is one of the very few universities accredited with "A+" grade.
- **GITAM Institute of Medical Sciences and Research :** For the benefit of the needy people, GIMSR has introduced the following schemes for pregnant women and senior citizens.

Savithri Prashutha Pathakam: Under this scheme, pregnant women are provided minimum 5 free check-ups during the pregnancy period in addition to the following services:

- Free for any mode of delivery (normal or surgical).
- Free treatment and immunization for the new born till one year of age.
- Free food and transport to the registered pregnant women and to an attendant.
- Fixed deposit of Rs.1,000/- for 10 year period for the child.
- Free ambulance service for the patient.

Pattabhishekham Senior Citizen's Health Scheme: All senior citizens over 60 years of age can enroll in the scheme. Under this scheme, the following facilities are provided:

- Free specialist and super-specialist check up throughout life.
- 70% concession on laboratory investigation and on surgical treatment. Free diet for the patient and to one attendant during hospital stay.
- **School of Nursing:** To meet the increasing demand for qualified nurses, GITAM established a School of Nursing in GIMSR campus at Visakhapatnam to offer B.Sc. Nursing programme from the academic year 2016-17.
- **GITAM School of Gandhian Studies:** Centre for Gandhian Studies has been upgraded to School of Gandhian Studies, to offer various UG, PG, Diploma and Certificate programmes in social sciences and Gandhian philosophy. A Centre for Languages has been set up in the School which offers a range of Indian and foreign language programmes to the students.
- **GITAM Fin Tech Academy:** A Fin Tech academy has been started in the Institute of Management to offer programmes in finance with technology inputs.
- **New Programmes Introduced:** Keeping in view the current needs of industry, several UG and PG programmes were introduced. Some of the important PG programmes introduced are:
 - M.Tech. (Cyber Forensics and Information Security) at Visakhapatnam and Bengaluru Campuses.
 - M.Sc. Biotechnology and M.Sc. Pharma Chemistry at Hyderabad campus.

GITAM (DEEMED TO BE UNIVERSITY)

10th Annual Report 2016-17

- MBA (Fin Tech), LLM and M.A. English Language and Literature at Visakhapatnam campus
- **Skill Development Centres:** GITAM established several skill development centres in all the three campuses to enhance the employability skills of students in several domains. Some of the skill centres established in the three campuses are:

Visakhapatnam Campus

- Skill development centre in collaboration with BARC
- Autodesk centre in collaboration with EDS technologies
- Automotive club
- Aero modeling club
- Programming club

Hyderabad Campus

- Hitachi Solutions CoE (Microsoft ERP and CRM products)
- Virtusa/Polaris CoE in Quality Assurance
- IBM Software Lab (Big Data, Cloud Computing & IT Security)
- Cisco Networking Academy
- DBMS Lab in collaboration with IIT Madras
- Advanced Manufacturing Technologies Lab (CAE/CAD/CAM)

Bengaluru Campus

- Robert Bosch Automation Lab
- EDS Technologies and Dassault Systemes
- SAK-Robotics
- **Incubation Centres:** A Business Incubation Centre was established in association with RenB Solutions (P) Ltd for the benefit of management students. A Technology Business Incubation Centre was also established for the benefit of Engineering, Science and Pharmacy students. These centres have been further strengthened to impart entrepreneurial skills to the students. A total of thirty five startups like Crazy Heads, TAP Arch, Gammon Entertainment, etc. in the area of Web Services, Product Development (Smart Shoe), Entertainment, Finance, etc. have been established by the students.

GITAM has taken up several other novel initiatives like establishing Intellectual Property Rights Cell, Research Forum, Cloud Computing Facility, Super Computer, G-Learn, a web based software to enhance the teaching-learning process, besides strengthening Central Research Laboratory for interdisciplinary research and Advanced Research Laboratory for research in cancer biology, nano-science, new drug delivery, etc.

Infrastructure: The infrastructure of GITAM has been further strengthened in 2016-17 by completing various construction projects, bringing them to usage.

Visakhapatnam Campus

A Road Underpass, with 35 M long dual carriageways, under the 100 Ft. Yendada-Rushikonda Road, has been completed, facilitating direct pedestrian and motorable access between the main campus and the GIMSR campus.

Hyderabad Campus

Auditorium Block has been completed with a plinth area of 14,492 sq.m.

ICT Block has been completed with a plinth area of 26,964 sq.m.

Canteen block has been completed with a plinth area of 1,650 sq.m.

Bengaluru Campus

Auditorium in Academic Block, Shivaji Bhavan with 1,000 seating capacity has been fully furnished and commissioned.

Two sheet roofed blocks have been completed with a floor area of 505 sq.m. to accommodate two food courts.

Seminars and Conferences

GITAM organized several national and international seminars and conferences during 2016-17. Prominent among them are:

- International Conference on AP BIO-2017
- National Conference on Advances in Communication Technologies (NCACT-2017)
- 3rd International Conference on Innovations in Automation and Mechatronics Engineering -2016
- International Conference on "Condition Monitoring-2016"
- 53rd Annual Convention of Chemists (ACC-2016) in association with Indian Chemical Society
- Fourth International Hindi Conference in association with Hindi Sangam Foundation, USA and Loknayak Foundation
- 3rd International Conference on Applied Economics and Finance (ICAEF), in association with Indian Econometric Society
- National Conference on New Trends in Multidisciplinary Research and Practices
- International Conference on Peace on Earth and Space for Global Security and Human Development
- National Seminar on Nanodrugs-Creating New Value to Active Pharmaceutical Ingredients
- National Seminar on Techniques in Healthcare, Disease and Environmental Monitoring

GITAM (DEEMED TO BE UNIVERSITY)

10th Annual Report 2016-17

- National Conference on Cost, Finance, Taxation and Accounting: Issues and Challenges
- National Seminar on 3D Printing: A Tool for Future Manufacturing Trends, Opportunities, Challenges & Applications
- National Seminar on Current Concepts and Research Areas in Diagnosis and Management of Tobacco- related Cancers
- National Seminar on Innovations in Social Engineering
- International Conference on Innovations and Advancements in Computing

In addition to the above, the institutes organized a good number of symposiums, workshops, guest/expert lectures, etc., on several specialized topics.

Student Activities

- **Bioinnvida 2.0:** The students of Biotechnology Department of GIT organized Bioinnvida 2.0, a two-day technical fest on 24th and 25th of March, 2017. The main themes of the event were “Climate Change” and “Food Security”. The fest included 7 unique segments, namely, Guest lectures, HR Talks, Workshops, Panel Discussion, Art expo, Technical and non technical events. Workshop on Food Technology exposed the students to the practical aspects of food quality and assurance while the panel discussion about “Sustainable Food Security in the era of climate change” put forth the views of experts on food security. A multitude of technical events such as Evolution, Best from Waste, Incognito together with non- technical events like Mister Writer, Quiz and Treasure hunt were the highlights of the fest.
- **Tesla-2K17:** GITAM branch of Institute of Electrical & Electronics Engineers (India) conducted one-day technical fest, called Tesla-2K17 on 27th March, 2017. Modern automation techniques like SCADA, SAS, etc., and their importance in sub-station management were explained in the technical talks besides throwing light on protection systems, difficulties and hazards involved, cost and safety considerations in sub-station management. The fest also organized a tech expo where students displayed technical and innovative projects followed by events like Circuitrix, Just a minute, and Think and Reflect.
- **Techcellence 3.0:** Techcellence was the annual fest conducted by GITAM student chapter of Association for Computing Machinery (ACM) on 14th and 15th March, 2017. A large number of computer science students from various universities and colleges participated. The fest offered a wide range of competitive events in the technical and non-technical fields and provided a platform for students to step out of their curriculum and exhibit their latent talents and abilities in different fields.
- **Praudyogiki-2K17:** GITAM student chapter of Computer Society of India (CSI) organized a two-day National Technical Symposium ‘Praudyogiki-2K17’ with the theme of ‘Digital Andhra Pradesh’ on 13th and 14th February, 2017. Over 600 engineering students across the city participated in the symposium. Technical events like folder locks, code marathon, code mania, code chef, kode-kode had churned the students’ thinking capability while non-tech events like couch potato, blue sky, link arts and trust me encouraged several students to actively take part in them. Workshops on “.NET” and “Cloud computing” were the highlights of the symposium.
- **Mech Utsav (Technical Fest):** The students of Mechanical Engineering Department organized their annual technical fest, Mech Utsav 2016-17, on 30th and 31st December, 2016. The technical events included “Science of Stupid” wherein students had to guess the logic behind the science video clip

shown, "Contraptions", which demanded students to create a chain of energy conservations, 'Full Throttle', a technical event tested the participants' knowledge on the buggy (nitro car) that they built and "Funk from Junk", a non-technical event challenged the creative abilities of the participants pushing them to make something useful out of common junk, 'Carving' and Vocomaster, were other interesting non-technical events.

- **ISTE - Young Scientist Summit:** GITAM Student Chapter of Indian Society for Technical Education (ISTE) organized an event Young Scientist Summit-2K17 on 18th March, 2017 providing students an opportunity to exhibit their creative talents, innovative and practically applicable ideas. This was a twofold event consisting of Tech-expo and Youth Conclave where students exhibited their physical and virtual models. The most promising and innovative models were judged, based on their originality of the project, creativity of presentation, innovativeness of the idea and technical merit.
- **Incepto-2K17:** IEEE Student Chapter of GITAM organized a two-day orientation programme on 2nd and 9th July, 2017 for the benefit of the students. This orientation programme covered opportunities and benefits of IEEE membership. An interactive session was conducted with the students to clear their doubts and promote IEEE benefits. A Recruitment Drive was also conducted to form a core team which is divided into various groups. The candidates were tested on the basis of their managerial and technical abilities.
- **Aeromodeling Club:** GITAM Aeromodelling Club (GAMC) was started in Mechanical Engineering Department with the objective of training students on 'Designing, Fabrication and Flying of Light Weight RC-Planes'. GAMC has created a platform for the students to interact on the current developments taking place in designing, making and flying of RC Planes. A three-day workshop was conducted for the members of the club in which nuances of flight design and flying skills were shared. An Aerobatics show was put on display by the club and a Tricoloured (Indian national flag) RC-Plane did splendid moves in air on the Republic Day celebrations of GITAM on 26th January, 2017.
- **Autodesk Design & Engineering Club:** This Club in the Department of Mechanical Engineering organized Autodesk Design Now Competitions on 19th July, 2016 and also a hands-on workshop in collaboration with Autodesk.Inc on 31st March, 2017 for the benefit of 3rd year students of Mechanical Engineering. Training programmes were also organized on Autodesk Fusion-360 software for the benefit of faculty and students of Mechanical Engineering department.
- **Engine Technology Internship:** This was the first of its kind conducted in GITAM on 5th February, 2017 by the Society of Automotive Engineers of GITAM in collaboration with Rectangle Technologies in which students from GITAM and Vignan actively took part and gained theoretical and hands-on experience on engines and recent technologies in the market.
- **Innovative Product Competition:** A competition named 'Innovative Product' was conducted on 29th December, 2016 by the Society of Automotive Engineers of GITAM in which various teams of students fabricated their unique designs which are useful to the society and had never been invented before.
- **ASCE Student Chapter Activities:** The American Society of Civil Engineers (ASCE) is one of the premier engineering societies in the world. ASCE Student Chapter was started at GITAM which organized a number of events including a National Civil Engineering Student Conference-2016 with the theme of 'Sustainable Infrastructure' on 26th and 27th September, 2016. This conference included two workshops on STADD Pro-workshop from Bentley and Revit Architecture workshop from CADD Centre.

GITAM (DEEMED TO BE UNIVERSITY)

10th Annual Report 2016-17

- **GITAM Excellence Meet (GEM):** The 18th GEM was organized on 9th and 10th December, 2016 with the theme “Celebrating Togetherness”, which focused on the significance of overcoming barriers and uniting the youth for national and global progress. GEM is a very popular, annual national level youth fest, which offers an exceptional platform for youth to exhibit and hone their diverse talents. GEM is entirely organized and managed by the students of GIM, who function as a corporate body by the name GEM Inc., 2016.
- **GSIB Fest-2017:** Students of GITAM School of International Business organized GSIB Fest 2K17 during 3-4 February, 2017 as part of an annual event. Management students across India participated in various management events. Finance event was organized on the first day which was all about stock trading where participants were allowed to buy or sell stocks with Rs. One Crore virtual money. On the second day, a series of events such as Marketing Mystique, Globe Arena and Business Plan were organized.
- **International Immersion Programme:** This event exposes the students of GSIB on aspects like how to do business outside India, how markets function in other countries and how other cultures interface business practices. This year GSIB students visited Dubai Jabel Ali Port; had a technical visit to Shuwaika Crushers located at Ras Al Khaima n Fujaira. They also had an interactive program with University of Wollongong at Dubai. 65 students of GSIB participated in the immersion programme from 20-26 February, 2017.
- **GIM Enactus-2016:** GIM Enactus adopted Peddipalem village in Visakhapatnam district. A pilot study was conducted in the village by the students to know the problems. Enactus gives an opportunity to the student teams to understand the important concepts like economics, entrepreneurship, finance and business ethics. Regional and national competitions are conducted for the teams to present the results of their projects which are evaluated by business leaders serving as judges.
- **Eco Club:** GITAM Institute of Management established an Eco Club out of concern for environment and biodiversity. The members are actively involved in creating awareness about Olive Ridley Turtle Conservation, celebration of World Whale, Dolphin and Sparrow Days and distribution of Eco-Ganesh Idols to the faculty, students and the public.
- **GITAM CII Yi Yuva Event:** Young Indians (Yi) is an integral part of the Confederation of Indian Industry (CII). GITAM Yi Yuva Chapter was registered with 140 students this year which organized lectures on scope of entrepreneurship in Visakhapatnam, peace and non-violence, etc. Students of GIM also took part in one-day Start Up Boot Camp conducted by Yi Yuva. GITAM Yi Yuva had received the Best Supporting College Award for the year 2016-17.
- **Unnath Bharat Abhyan (UBA):** GITAM Institute of Management was selected as a participating institute in Unnath Bharat Abhyan (UBA), an MHRD programme with IIT-Delhi as the coordinating institute. Under this programme, the students of GIM identified a cluster of five villages, namely, Sirlapalem, Peddipalem, Pekuru, Dabbanda and Mukundapuram. Field survey and data collection pertaining to household and village amenities was done by them. This data was uploaded into the respective fields provided in the UBA data website. A draft report based on the survey results was prepared and sent to UBA and preparation of village development plan is in process.

- **Joy of Giving:** Students of Hyderabad Business School celebrated the annual event of “Joy of Giving” on 15th November, 2016 by bringing orphan children from a city-based orphanage, Vivekananda Seva Sangham, to GITAM campus and providing a good time to them. They also raised funds for giving donation to the orphanage.
- **Lakshya:** The annual intramural sports fest Lakshya was conducted by Hyderabad Business School for three days, i.e. during 25-27 August, 2016.
- **Pramana:** A Techno-Management Fest, known as Pramana, was organized by the MBA students of Hyderabad Business School during 2-4 February, 2017.
- **International Study Tour:** Students of final year B.Arch. and faculty from the GITAM School of Architecture visited United Arab Emirates, which provided an opportunity for students to experience the thriving urban epicenter of the Middle East.

- Andhra University, Visakhapatnam
- Indian School of Business (ISB), Hyderabad
- DELNET, New Delhi
- IISc, Bangalore
- British Library

KRC has signed MoU with INFLIBNET (Information & Library Net Work Centre – an autonomous Inter University of UGC) for Shodganga (for Thesis uploading and antiplagiarism)

7.3 Centre for Advanced Technology Solutions (CATS)

The Centre for Advanced Technology Solutions (CATS) manages the IT infrastructure and offers a range of facilities and services to assist members of staff and students with their IT-related needs. CATS provides campus-wide computing, networking, storage, communications and instructional technology at all the campuses of GITAM.

During the year, CATS introduced more than a dozen initiatives and service improvements, and another half a dozen are in progress. To name a few:

- i. As a step towards cashless campus, CATS introduced online payments to GITAM, giving users a wide range of payment options – NEFT/RTGS/online banking with 50+ banks.
- ii. Progressing towards e-governance, CATS Introduced IT Service Desk as a single point of contact for all the IT service needs of the three campuses.
- iii. CATS introduced online registration of all the new students starting this year, and completely integrated the registration system with online fee payments for tuition/hostel/bus pass etc.,
- iv. CATS introduced smarter surveillance capabilities, enhanced internet bandwidth, implemented advanced collaboration tools like video conferencing, digital signage, smart class room tools etc.,

CATS is working on exciting new projects including multipurpose smart campus card, Network and operations centre, comprehensive student information system and few more.

7.4 E-Learning Centre :

E-Learning provides web-based e-learning facility to the students. The Digital Library provides access to research publications by reputed publishers like IEEE, Springer link, ACM, ASME, ASCE, EBSCO, Management Dynamics, Capitoline, Emerald, etc. and e-books from e-library and Springer, NPTEL Video Library and McGraw-Hill Digital Engineering Library. This facility is extended to all the computers connected to the GITAM Intranet.

7.5 Campus Hostels

Separate hostel facilities are available for boys and girls. Each room is provided with all facilities required for comfortable living of the residents. The hostel blocks are provided with T.V, Reading room, Indoor games (shuttle, caroms, Chess), safe drinking water, washing facilities, round the clock security etc. The kitchen is provided with modern equipment, i.e., steam cooking, purified water, cold storage, hot serving counters, etc. to supply food in a hygienic atmosphere. The campus hostels ensure the right academic ambience, discipline and caring environment, resident wardens (for both boys and girls hostels), hostel teacher coordinators (for both boys & girls hostels), qualified doctors and resident medical officer on the campus.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of **GITAM University of GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT (ESTABLISHED U/S 3 OF THE UGC ACT, 1956), VISAKHAPATNAM**, which comprise the Balance Sheet as at 31/03/2017, the Statement of Income and Expenditure Account, for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the GITAM University and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the University preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the University has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the University's Members of the Board of Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the GITAM University as at 31/03/2017, and its Surplus for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the University so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Income and Expenditure Account, and dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards issued by Institute of Chartered Accountants of India.
- (e) In our opinion and to the best of our information and according to the explanations given to us:
 - i. The GITAM University has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The GITAM University has made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

5.	K.V.Chaitanya (PI) & Dr.Sk.Khasim Beebi (CI)	Supercritical CO ₂ extraction and characterization of bioactive compounds from different Coleus species subjected to salinity stress	UGC	Completed
6.	Dr. Sk. Khasim Beebi	Mapping of demographic, environmental, behavioral, socioeconomic and genetic factors for the cancer incidences in Visakhapatnam district of Andhra Pradesh	DST	Ongoing
7.	Dr.B.Sarada (PI) & Dr. Sk.Khasim Beebi (CI)	Optimization of the Process Conditions for the Purification of Ansamycins in a Fluidized Bed.	UGC	Completed
8.	KVN Saibaba (PI) & Sk.Khasim Beebi (CI)	Design and development of continuous flow packed bed reactor for the removal of dyes from the textile industry effluents	UGC	Completed
9.	R.Gopinadh (PI) & KVN Saibaba (CI)	Statistical experimental designs for the optimization of medium constituents for the production of citric acid by submerged fermentation of mahua flower (<i>Madhuca indica</i>) from <i>Aspergillus niger</i> using response surface methodology	UGC.	Ongoing
10.	R Gopinadh (PI)	Statistical experimental design based modelling and optimization of physico-chemical, nutritional parameters and bioreactor type for production of citric acid and other commercially important metabolites from mahua flower (<i>Madhuca indica</i>) by using mutant strains of <i>Aspergillus niger</i> .	DST	Ongoing
11.	Dr. I.Sarat Babu (PI)	Mathematical modelling and optimization for the production of poly-B-Hydroxybutyrate (PHB) using an indigenous micro-organism isolated from industrial wastes of Visakhapatnam region	UGC	Completed
12.	Dr. R. Satyanarayana (PI) & Mr. S.Silas (CI)	Bioavailability enhancement studies of vitamin A conjugated with piperine	UGC	Completed
13.	Dr. R. Satyanarayana	Role of matrix metallo proteinases and chemokines in prostate cancer stem cell mediated metastasis	SERB, DST – FAST TRACK Young Scientist Scheme	Ongoing

14.	Dr. K. Vasavi Rama	Generation of disease and insect resistant transgenic pigeon pea by over-expression Tfggd2-RsAFP2 fusion gene.	SERB-DST	Ongoing
15.	Dr. R. K. Srivastava	Production of 1-butanol from lignocellulosic or sugarcane waste materials by using metabolically engineered strain of E.coli	UGC	Ongoing

Medium of Instruction: Medium of instruction is English for PG/ PG Diploma / Diploma Programmes. B.A / B.Com., programmes are offered both in English and Telugu media.

Course Material: CDL has developed in-house course material for all the programmes, following the DEB norms.

Revision of MBA Syllabus : MBA is one of the programs being offered by CDL with the syllabus and course material of IGNOU. The course material is prepared following DEB norms and implemented from the 2016 CY admitted batch onwards.

Learner Support Services: The courseware of all the programmes consists of printed course material, face-to-face interaction (weekend / personal contract programmes), assignments and select video lectures. The learners are given academic calendar at the time of admission which contains detailed schedule of academic / evaluation activities for the entire year and they are advised to strictly follow the schedule. The learners are also informed of all these activities through website, notifications released from time to time and advertisement through newspapers. Learners can also interact with the CDL through telephone (landline / mobile), visiting website of the CDL and directly with the staff. The Centre for Distance Learning sends SMS messages on scheduled activities at least once a fortnight so that interaction with Centre and the learner is assured. Helpline and Helpdesk provide such connectivity, information required and clarification of doubts. Thus pre-admission and post admission counseling are ensured.

Online Learning: Streaming of lectures (live and recorded), information dissemination and assignment submission are the important learning activities being offered. During 2010-11, these activities were confined to MBA programme. From the academic year 2011-12 online learning facility is extended to M.Sc Biotechnology program also.

All the activities in CDL starting from admissions to evaluation are totally computerized. Student portal is created in the CDL website for lending student support services.

Student data like fee payment details, Internal marks, External marks, etc are available in student portal. Hall tickets can also be downloaded from the website.

Graduation Ceremony : Centre for Distance Learning (CDL) 5th Graduation Ceremony was held on 14th April 2017 (Friday) for outgoing students of May 2014, December 2014, May 2015, December 2015

GITAM (DEEMED TO BE UNIVERSITY)
